About Charity

Our mission is to disseminate the Gospel to unreached communities in India by sharing the Good News of Jesus Christ. We aim to plant churches and equip local missionaries, pastors, and evangelists with the tools necessary to foster a transformed, spiritually vibrant India. Additionally, we are committed to breaking the cycle of poverty through active community engagement.

Our Vision

Our mission is to share Christ's love with those who are unaware of the way, the truth, or what lies beyond death. We are dedicated to spreading the knowledge of Jesus throughout every corner of India and elevating His name by revealing the transformative work of Christ in everyone's life. It is our calling to declare the one true God who sacrificed His precious blood on the Cross of Calvary, died, rose again, and will return.

Church Ministry

Serving as a pastor for a congregation of 150 individuals enables me to concentrate on each member's spiritual journey, fostering a close-knit community grounded in faith. Together, we cultivate an environment of support and growth, encouraging everyone to deepen their relationship with God. This collective journey is dedicated to nurturing spiritual resilience and unity within our community.

Children's Care Services

Each year, our church organizes special meetings for children, fostering an engaging environment to share the Gospel through enjoyable and interactive sessions. These gatherings enable us to connect with young hearts, sowing seeds of faith and understanding in a memorable and enjoyable manner. This creates a joyful and impactful experience for all participants.

Widows care

Since 2017, our church has been dedicated to supporting 50 widows each month, offering not only financial assistance but also emotional and spiritual support. This initiative exemplifies our commitment to demonstrating God's love through tangible aid, while fostering a community characterized by care and compassion. It is a privilege to uplift these women and play an integral role in their lives.

Women Pastors Support

Since 2017, our church has offered a monthly stipend to support 50 women pastors, empowering them to pursue their ministry and outreach efforts. This commitment underscores our belief in the essential role of women in disseminating the gospel and serving their communities. We take pride in contributing to their mission and witnessing the positive impact of their work.

Street Gospel

Our church engages with individuals through the gospel via film ministry and street preaching, delivering messages of faith directly to communities in accessible formats. By sharing films that convey powerful narratives of faith and conducting street preaching, we foster opportunities for connection and inspiration. These initiatives enable us to present the gospel to diverse audiences in meaningful and relatable manners.

Crusades

Our church is committed to disseminating the gospel through crusades and evangelical events, reaching out to both communities and individuals with a message of hope and salvation. These gatherings serve as powerful opportunities for spiritual revival, enabling us to connect with individuals from diverse backgrounds. Through these initiatives, we aspire to inspire and draw more souls closer to God.

Youth meetings

I provide theological instruction and offer spiritual guidance to assist individuals on their faith journeys, fostering a deeper understanding and relationship with God. Through thoughtful teaching and personalized counsel, I aim to address inquiries, clarify beliefs, and promote spiritual development. This endeavor is profoundly fulfilling, as it enhances both individual faith and our collective church community.

Women empowerment

Our church is committed to empowering women through training programs in sewing and computer skills, thereby equipping them with practical tools for self-sufficiency and personal development. These initiatives are designed to bolster their confidence and create avenues for income and independence. It is truly inspiring to observe their progress and witness the positive impact these skills have on their lives and the broader community.

Community development

Our church is deeply committed to community development, focusing on initiatives such as the installation of borewells to ensure access to clean water and the provision of food donations during disasters and natural calamities. These efforts are designed to address immediate needs while also fostering long-term well-being within our community. Through these initiatives, we aspire to be a beacon of hope and a source of practical support during challenging times.

Care for Needs

Through our "Care for Needy" program, we supply essential items such as rice, blankets, mosquito nets, and other necessities to individuals experiencing hardship. This initiative enables us to offer both compassion and tangible support to families within our community. By addressing these fundamental needs, we aspire to provide comfort and relief to those who require it most.

ACT - NETWORK LEADERS

Gathering the guiding principles of our faith, our pastors' meetings aim to cultivate unity, share wisdom, and ignite a collective passion for disseminating God's word. Together, we empower one another to lead with love, compassion, and steadfast faith.

Our Network Leaders are committed to advancing the Kingdom of God by diligently working in key areas to spread the Gospel among the unreached. Through their dedication and fervor, they are making a significant impact on communities, transforming lives, and winning countless souls for Christ. These devoted leaders not only bring hope and faith to those who have yet to hear the Good News but also diligently support the spiritual growth of individuals and families. Their mission to serve and uplift resonates profoundly, illuminating society in ways that will create a lasting legacy for generations to come.

K.ANANDA KUMAR

(Kakinada Network)
50 Catalysts
55 Churches Planted.

I am Pastor K. Ananda Kumar, serving in the Kakinada district. By God's grace, I have been called to be a dynamic and compassionate leader, committed to strengthening the spiritual foundation of my community. Under my guidance, I currently oversee more than 50 catalysts and 55 churches. My role is not only to serve as a pastor but also as a mentor—empowering others to embrace and spread the message of faith, unity, and hope.

The Lord has allowed my leadership to become a beacon of encouragement, creating a ripple effect of positive change throughout the district. My dedication extends beyond traditional ministry, as I am deeply committed to fostering strong, interconnected communities that support and uplift one another.

By God's grace, my influence reaches far beyond the churches I directly oversee, inspiring many across the region to lead lives filled with purpose, compassion, and spiritual growth. My desire is that every believer is equipped, every church is strengthened, and every community reflects the love and light of Christ.

K.PRASANNA

(Kajuluru Network)
Woman Pastors team
30 Woman Catalysts

Prasanna, from the Kajuluru region, is an inspiring and courageous leader who is effecting transformative change among the women in her community. Leading a team of 30 women catalysts, she cultivates an empowering environment that prioritizes resilience and spiritual growth. With a clear vision and steadfast commitment, Prasanna encourages her team to recognize and embrace their potential, guiding each woman to discover her voice and purpose in serving others. Her leadership transcends mere direction; it is nurturing and confidence-building, motivating action among her team. Prasanna's influence reaches well beyond her immediate circle, as she advocates for women's roles in faith-based community building. Through her dedication, she is reshaping perceptions and elevating women to prominent positions in spiritual and social development. Her impact is profound, establishing her as a pillar of strength and a catalyst for enduring change in Kajuluru and beyond.
